## 50 years of sign and decor.

Skiltmaker Haugen develops and produces a wide range of signage, decor and advertising. From a humble start in 1971, with self-built machines, we have been a visible player in the signage and decor industry for over 50 years.

## Signage and decor is our trade!

We aim to be a source of ideas and inspiration for solutions that suit you - whether it be classic, safe choices or the most trendy and modern solutions. With nationwide customers and projects, our products can be seen all over the country.

In-house production, motivated employees and modern efficient machines enable us to offer products that meet customer requirements, needs and prices.
